Below this is a search bar with the placeholder text 'Enter Acronym or Term' and 'Enter Alias or Name'. The main navigation bar features a red background with the 'MCHPWEB' logo and the tagline 'ONE WORLD • ONE TEAM • ONE GOAL'. It includes a horizontal menu with links: Home, Employee Info, News, Our Company, Tasks & Tools, and Training. This is the drawing mockups we made before our second meeting with Louise. Actually, we had multiple mockups before our second meeting, we provided multiple homepage layout so we could possibly discuss with Louise, to be able to decide which one is the best fit for the company. And this is the most suitable one that Louise believe best fit their demand.

Here is the prototype for conference room finder, which is also the feature that Louise mentioned specially during our meeting. This is one of our target task although she said this is only "nice to have" item on our checklist.
